FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Dear Secretary:

I am favor of using a three digit such as 711 to be use in calling the TDD relay services as provided by the States.

I would like to see that this service is approved and implemented as soon as possible. I do not like to dial the 800 number whenever I need the TDD relay assistance. I feel that shortened digits will help me use the faculties more frequently.

Thank you,

Mrs. Tina Clark
